Acknowledgement

AGRANEE has been maintaining transparency and accountability by publishing regular annual reports and maintaining a standard accounting procedure time to time suggested, verified and checked by our honourable members, statutory auditor, supporters and well-wishers. As a major towards transparency & accountability the annual & audit reports of AGRANEE are open and free to all. Hence we express our gratitude to all of our supporters, well-wishers, dedicated staff members and auditor for their continuous support and cooperation.

Srutidhar Jena
Secretary

August -2019

Genesis

AGRANEE was established in the year 1989 by a group of likeminded local youths. Though the geographical & programme area of the organization varies from time to time but never diluted from it's aim & objectives. Presently serves a population of near about 28000 from Mayurbhanj districts of Odisha.

Vision

A sustainable society with social justice & equity where people live in peace with dignity irrespective of caste, creed & sex.

Mission

To promote sustainable development processes which are socially acceptable, culturally appropriate and gender equitable, towards enabling poorest of the poor to achieve a dignified quality of life.

Strategy

- Field-level motivation and Mobilization
- Enable and legitimize participation
- Access and control over natural resources
- Capacity Building and skill development
- Engender Community Based Organizations

Experience

AGRANEE has experience and expertise in implementing projects relating to Primary Education, Sustainable Livelihood, Community health & sanitation, Capacity Building and skill development of different stakeholders.

“Addressing Nutritional and Income Insecurity of Underprivileged Communities by Improving Access to Information on Relevant Government Schemes”

In collaboration with Agramee & European Union AGRANEE has implemented the above mentioned project in Kaptipada block of Mayurbhanj district taking only five GPs namely Nota, Saradiha, Sarat, Ranipokhari & Dewanbahali focusing on Information Sharing by Public Authorities under Section 4.1(b) of the Right to Information (RTI) Act. Improve quality of life of poor local communities in remote tribal pockets by enhancing participation in local self governance and improving information sharing for better access to Govt. Schemes was the prime motto of the initiative.

It was the 5th and final year of the project. As per plan we have established a Block Information Centre for Kaptipada block at village Dileswar from where people can easily access to information on different government schemes & programmes. Apart from that two major citizen forums namely Citizen Action Group at block level and district Right to Information have been formed & functionalised to address common/local issues actively as well as ensure people's participation in government programmes like- primary education & health, nutrition, MGNREGA and self governance etc. Apart from CAG & RTI forum member's capacity building & meetings we also organised a numbers of interface and orientation programmes for various existing village level committees i.e. JC, MC, SMC

& GKS members get together for better understanding and coordination amongst themselves.

Consultation with Dist. RTI Forum Members

Sharing of information in local markets

At the end of the project it is observed that though regularity of children in school & AWC is not so encouraging but 100% enrolment is achieved so far our project action area is concerned. Though few steps have been taken through the project towards ensuring 100 days work or as demanded by the job seekers but not yet achieved much. We have achieved success in ensuring people's especially women participation in local self governance and government sponsored schemes / programmes.

Digital Night School

AGRANEE has been running two "Solar Digital Night Schools" in Kaptipada (one in each Raipokhari & Dewanbahali GPs) block of Mayurbhanj district with the support of SWRC, Tilonia, Rajasthan aiming at provide digital education through applying modern technology for rural minds. A total of 61 out of school, dropout, irregular and working children belong to tribal communities are being provided free education during their leisure hours (evening) in both of the centers. Apart from traditional TLM digital teaching

learning materials like- Solar power run Projector and I Pads have been provided to the centers and adequate training to the local youths as teacher/facilitator.

SIA Study undertaken by AGRANEE

In Association with State SIA Unit, Nabakrushna Choudhury Centre for Development Studies (NCDS), Bhubaneswar, AGRANEE has undertaken a Social Impact Assessment Study of Land Acquisition of Private Land for Improvement of Road from Nakagate to Kateni in two Villages (Gothapatana & Ghangapatna) of Khurda District, under Gothapatana GP of Bhubaneswar block as a consultant agency and the field work is in progress at village level.

FGD is in progress during SIA study

Alternative Vaccine Delivery

We are in the sixth continuation year of the project and activities undertaken similar to the previous years. Under this programme Agranee has taken the responsibility of delivering vaccine at 92 session sites of total Karanjia block covering all 22 ANM sub-centres as part of routine immunization activities under NHM. Giving necessary orientation, we have deployed six local youths dividing the entire block in six routes for smooth implementation of the AVDS under the terms and conditions specified in the signed agreement by AGRANEE and MO/IC Tato, Karanjia, Mayurbhanj.
